

MTH 225 Fall 2023 Grade Tracking Checklist

Instructions: Start in the bottom row (D) and check off boxes as you complete assignments, moving upward as you go. Once you have checked all the boxes in the row for a grade, you have earned that grade in the course and it will not go down. Plus/minus modifiers to these basic grades are awarded using guidelines in the syllabus. Numbers in parentheses indicate the total number of assignments planned in the semester; these may change due to scheduling considerations.
